

TEXAS DEPARTMENT OF PUBLIC SAFETY
CRIME LABORATORY

Rapid DNA/Crimes of Special Concern Form

LAB-214 Rev.01 (09/2020) p.1 Issued by: SQM

This is an optional form that may be used to document information to meet FBI requirements for entering DNA profiles into the DNA Index of Special Concern (DISC) and enabling those profiles to be searched using Rapid DNA technology.

The offenses that are eligible for Rapid DNA searches are unsolved cases involving sexual assault, homicide, kidnapping, and terrorism.

In order for DNA profiles to be included in the DISC, the laboratory recommends completion of this form, in addition to the LAB-201. Sexual assault submissions should also include the LAB-206.

Please provide the following information if known:

Case type:

Sexual Assault Homicide Kidnapping Terrorism

Laboratory case number: _____

Submitting agency ORI (24 hour NLETS Terminal): _____

Statute of limitations expiration date: _____

24 hour/ 7 day a week contact information for investigator(s) for this case:

Name _____

Phone _____

Cell _____

Email _____

By signing this form, the submitter agrees that the case is active and that the agency is willing to pursue any leads obtained through Rapid DNA searches, including the possibility of extradition of persons from other locations inside and outside the State of Texas for the purposes of prosecution.

Submitter signature: _____
